

# INSTALLATION INSTRUCTIONS

## PART NUMBER: YA-1414

This filter fits: SEE CATALOG FOR CURRENT APPLICATIONS

**\* FREE K&N® decal** To register your warranty, please see us online at [knfilters.com/register](http://knfilters.com/register). **FREE K&N® decal \*** Congratulations, you have purchased the finest air filter that money can buy. With proper care, this filter will last 1 million miles or more. This filter is a direct replacement for the stock air filter, and no modification will be required. However the following procedures **MUST** be followed to ensure the proper fit and seal of the K&N® air filter.

**If you need any assistance please call 1-800-858-3333 to speak with a representative in our Customer Service Center before returning the product.**

### INSTALLATION:

1. Remove the stock air filter. Fig. 1
2. Carefully clean the sealing surface in the air box.
3. With the provided grease, apply a bead between the bump seals on the perimeter of the air filter. Fig. 2 & 3
4. Install K&N® air filter into the grooves in the air box. Once installed into the air box, you can remove any residual grease that may have pushed out of the groove. Fig. 4
5. Install air box lid and tighten screws.

**THESE INSTRUCTIONS MUST BE FOLLOWED EVERY TIME THE FILTER IS SERVICED, OTHERWISE THE FILTER MAY NOT SEAL, AND DAMAGE TO THE ENGINE COULD RESULT.**
